Lapal Canal Trust at the Selly Oak Park Festival

Every year the Lapal Canal Trust attends the Selly Oak Festival arranged by Friends of Selly Oak Park; for the Trust, it is an excellent event with crowds of local residents supporting and interested in our progress and learning about the Lapal Canal Restoration. A surprising number of visitors remember the canal in water.

We reported on our Facebook Page

“It was a wonderful Selly Oak Festival, big thanks to Friends of Selly Oak Park for the excellent arrangements and crowds of people. We would like to thank our own Trust Committee and in particular our partner the Worcester Birmingham and Droitwich Canals Society for help in preparing leaflets and operating a very popular Lapal Canal badge production line. Very pleased to have visit from local MP Steve McCabe and local Councillor Karen McCarthy who are both very supportive of our restoration project. In addition, the Trust had donations, book sales and new members. Even the weather was kind with non-arrival of forecast rain. “
